## **Updates on Delaware's Coronavirus Response**

**Governor Carney  
Partners with Health  
Providers and Sussex  
Employers on  
Community Testing  
Sites, Outreach,  
Education**

### **Governor Carney Announces Partnership with Health Providers and Sussex Employers**

**Wednesday, April 22:** Governor Carney announced that the State of Delaware will partner with health providers and Sussex County employers to stand up community testing sites in Sussex County, and increase outreach and distribution of educational materials about COVID-19 in southern Delaware.

The partnership will include the Delaware Division of Public Health, the Delaware Department of Health and Social Services, the Delaware Emergency Management Agency, the Delaware Department of Agriculture, Westside Family Healthcare, local hospital systems, poultry industry employers, Federally Qualified Health Centers, and trusted community partners. ### Governor Carney Discusses Eventual Reopening the State

**Wednesday, April 22:** Governor Carney joined Wolf Blitzer on CNN's The Situation Room to discuss the strategies for the eventual reopening of the state economy. Delaware's stay-at-home order and quarantine for travelers remain in place. Any decisions to lift restrictions will be based on science and the situation on the ground.
